

# 6 Years - 6 Themes - 660 Lessons

## Are you covering the basics?

Learning is experience; everything else is just information.

Imagine spending a whole year on one theme, for instance,  
*Witness to God's Presence.*

Old Testament is in the fall:

Creation

Plagues and Passover

Wandering in the Wilderness

Christmas is the bridge to the New Testament, focusing on the Incarnation.

Jesus' ministry is in the winter:

Feeding of the 5000

The Lord's Prayer

Holy Week and Easter are the bridges to the church:

The Last Supper

The Walk to Emmaus

The new church is explored with:

Paul on the Road

Witnesses Today

A 3<sup>rd</sup> grade boy had been attending church since it went on the Workshop Rotation Model. He had tasted the Seder meal in October while studying the Plagues and Passover. Five months later, he tasted the Seder meal again while studying the Last Supper.

He nudged his buddy and said, "Hey, this is the meal that Moses ate."
